

SAT Series

Autoclave

SAT are digital temperature control autoclaves with pre & dry vacuum. Designed for Hospital medical, laboratory, biological science, pharmacy industry, reliability testing equipment.

SAT Series

Features

SAT Series

- Fractioned pre vacuum air removal
- Independent steam generator
- Built-in temperature recorder
- Cycle progress indicator light
- Double locking safety system
- Special liquid program
- Stand by function
- Cylindrical chamber volume: 100, 143, 196, 350 (L)
- Square Chamber volume: 110, 260, 454, 680, 848 (L)

Post Dry Vacuum					S				
Water Pump					0				

Note: "S" - Standard configuration. "0" - Optional configuration.

*² "Gauge" - Includes both Jacket and Chamber pressure gauges.

*³ "Standby" - Allows the Big Autoclave to maintain jacket temperatures between sterilization sessions.

Other notes:

- Standard Chamber / Jacket / Door / Housing are made of Stainless Steel#304. #316 Stainless steel optionally available for Chamber / Jacket / Door.
- Heater material is Stainless Steel #316.
- Standard Accessories: Tray*1, Glass Viewer Tube * 2
- Optional Accessories: Trolley / Plate Set / Basket
- Sturdy also offers customized sizes up to 2000 L.
